Critical Thinking – Sun Tzu’s Art of War Style

Introduction
Sun Tzu's Art of War stratagem provides an excellent metaphor and parable to direct your thinking into a critical mode. In this power-packed interactive workshop you will learn how you can use these stratagems to not only hone your critical thinking skill but to use them for practical purpose in the work environment in coming up with solutions for everyday problems that you face and using them as a platform to become an effective decision maker. Flexible strategies, quick thinking on the corporate battlefield, the use of intelligence and understanding your competitor's intention are the crucial ingredients of a recipe for business success.
