

Define Job Profiles (SFw HR) (Synchronous e-learning)

Participants will be awarded the **Statement of Attainment for HRS-HRM-4007-1.1 Job Analysis and Evaluation** upon successful completion of the course.

Course Objective

The course will address the skills and knowledge required of organization members to create and review job profiles as part of manpower planning activities. It covers models, methods and the link between job design and manpower planning activities.

Target Audience

Human resource managers and above.

Course Outline

➤ Create job descriptions

- Consult stakeholders to clarify manpower planning requirements that impact design of job descriptions
- Support line managers to implement job design processes
- Document final job descriptions to obtain approval from stakeholders

➤ Review job design processes

- Develop and review systems for obtaining feedback from managers and employees regarding the job design process
- Evaluate job profiles to ensure continued relevancy and identify any required changes
- Document outcomes of review activities to clarify future enhancements to the job design process

Methodology

It is a competency-based learning with assessment. Case studies, experiential learning, discussions and presentation, facilitation and sharing, critique and review.

Duration : 2 days, 9am to 6pm (16 hours)
Course Venue : Join us via Zoom
