

Implement Talent Management Programme (SFw HR)

Participants will be awarded the **Statement of Attainment** for HRS-PDV-4035-1.1 Talent Management upon successful completion of the course.

Course Objective

The course will address the skills and knowledge required to identify talent requirements and work with managers and employees to facilitate their progression to more senior positions. It covers the use of talent management tools and practices and the monitoring of talent management processes.

Target Audience

Human Resource practitioners, executives and managers.

Course Outline

➤ Identify talent gaps within the organization

- Conduct talent assessment in consultation with stakeholders, using tools, methodologies and criteria as defined in the talent management strategy
- Evaluate assessment outcomes in consultation with stakeholders to document identified trends
- Document recommendations to address any issues arising from assessment

➤ Facilitate the use of talent management tools and processes

- Communicate talent assessment and development processes with stakeholders to ensure commitment and buy-in
- Support managers in the use of talent management tools and methodologies
- Develop managers' capability for assessing and managing talent

➤ Monitor and review talent management processes

- Develop processes and systems for gathering measurement data and feedback
- Analyse measurement data and feedback to establish performance against required criteria
- Review best practices in talent management to identify potential improvements
- Recommend refinements or modifications to talent management processes

Methodology

It is a competency-based learning with assessment. Case studies, experiential learning, discussions & presentation, facilitation and sharing, critique & review.
