Trainer

Caroline has more than 17 years of invaluable experience as an Editor of lifestyle and technical publications and 15 years teaching business management, environmental and soft-skills communication. During her numerous corporate exposure with local and foreign participants, Caroline has provided counselling and coaching services to many multicultural individuals and teams while also mentoring fellow educators in developing their professional skills. Caroline's wide ranging expertise in the field of communication and management is just one half of the equation as her focus lies in the other where corporate education must always serve the business need and that any development intervention is an investment that must deliver a return. In this respect, Caroline uses a combination of tailored activities and has mastered the art of utilising pedagogical methods with minds! Her pragmatic real world approach ensures that she understands and responds to the real pressures and issues faced by adult learners especially. By closely observing and identifying individuals with special learning needs, she has maintained that experiential, innovative teaching methods and highly interactive curriculum are key motivational factors that enhance one's communication and personal development skills.
