

Develop a Winning Employer Brand to Attract and Retain Top Talent (SFw HR)

Participants will be awarded the **Statement of Attainment** for HRS-HRM-5005-1.1 Employer Branding upon successful completion of the course.

Introduction

In competing globally for limited talent, more organizations are focusing on strengthening their employer brand to attract and retain talent to meet growing business challenges, because employees are the key to organizational success, organizations that can attract and retain the best talent will have a distinct advantage over their competitors. In investing effort to create or develop a compelling employer brand, it is essential that an organization understands the factors that drive the brand, the needs of employees that it targets and the methods of communicating and sustaining the brand. This 2-day course will provide practical skills and knowledge that can be applied at the workplace to enable development of a compelling and sustainable employer brand.

Course Objective

The course aims at providing participants with the knowledge to develop, communicate and sustain a winning employer brand to attract, engage and retain top talent. It addresses skills in determining strategies in designing employee value propositions that are anchored upon an organization's purpose and values, aligned to its business processes and needs of current and target employees.

Target Audience

Human resource professionals and managers who are involved with the employee resourcing and employee engagement functions.
